

1710 EAST DUVAL STREET

https://saucerrealty.com

One of two buildings is steel beam and column and formerly supported a lawn mower repair facility but is adaptable to multiple commercial uses. 18-foot wall height with 16-foot bay doors expand opportunities. The $60' \times 35'$ building wood post and frame is not partitioned and has two $14' \times 16'$ roll-up doors. The second [...]
